11. Be it Resolved, that the Pleasantville Board of Education approval to apply for the Instructional Improvement System (IIS) FY16-17–Grant. The grant is a Title One program that is open to districts that previously participated in the Race to the Top Phase Three (RTTTs) grant program. As a participant in the RTTT Phase component, the Pleasantville School District would like to use grant funds to implement the EdConnect NJ IIS by enhancing and refining use of the system with increased data-points, by further aligning course content, and by providing continued professional development.

EdConnectNJ is a tool that supports data-driven education by integrating assessments, data management, instructional support resources and curriculum and planning. This IIS grant is being offered to encourage eligible EdConnectNJ districts and those preparing to begin implementation to continue to enhance and refine the system by incorporating further data points and to increase the NJAS-aligned content available to assist in assessment and instruction. Through grant offering, the New Jersey Department of Education hopes to reach its overarching goal of improving the use of data as a tool to improve instruction in all classrooms. Grant award amounts vary according to the size of the district and the scope of the proposed project.
