8. Approval for the expenditures delineated for the Math Intervention Consortium as indicated below. The consortium will deliver the 4Mat 4 Algebra Program. 4Mat 4 Algebra Program is a unique way of teaching algebra that gets students engaged and helps them connect algebra to their real lives. The program includes a teacher's text, student workbooks, instructional posters for the classroom and an activity kit. The text is supplemental to our current algebra text. The program consists of 10 concepts that provide the conceptual connection for teaching algebra. Each unit plan is taught over a 2-3 week period and provides actionable ways for students to make learning their own through individual applications and extensions of knowledge.
