10. Report of the Business Administrator/Board Secretary - Mr. Dennis Mulvihill
Mr. Mulvihill announced that he had the Finance Agenda and the Addendum

Report of the State Monitor – Mr. James Riehman:

Mr. Riehman greeted everyone, “Good evening”.

Mr. Riehman reported that the “Board is in the process of putting together some training sessions.” It was requested that it would be held on the July 26th (2011) Board meeting; however, he anticipated being able to do one in the August meeting.

There will be a review of the QSAC Governance areas, it’s also involving the other four areas because it’s not just Governance, it’s everything; because what the district is rated on in the Governance - areas affects other areas.

We will be looking at QSAC again this fall, from the Executive County Superintendent, and will need to be prepared for that.

Mr. Riehman asked, “Any questions?”

Ms. Connie Graham stated, “Good evening Mr. Riehman. Our summer has begun, and school doesn’t start until September.” Ms. Graham inquired regarding shortening the Monitor’s workweek (amount or length of days) during the summer in the district, so monies can be distributed toward the students.

Mr. James Riehman replied “Well, number one, my contract only runs until the end of September. Right now, I’m on a four day a week schedule.....it will be less time; I’m not going to be expanding my time, and will be working less than five days a week.”

Ms. Graham stated, “The Board is only going to meet twice this summer. We need to put a letter out, generate a letter, to whomever it goes to, so that we can cover not only ourselves, but yourself too; to assure that we don’t need a monitor for four days a week; to do what?”

Mr. Riehman stated, “We do have some issues coming up such as the audit at the end of the (fiscal) year, and that’s something that I am totally involved with because it’s my responsibility as the Fiscal Monitor.We do have some upcoming projects; such as the Turf Field, and also, getting the Trailers open for September.

Ms. Graham expressed that her focus is money going back in the pockets of the children.

Ms. Ethel Seymore expressed that she may not quite understand the duties of the monitor; and does the Board have the right to cut his hours/day down. Ms. Seymore stated, “How can you cut his time down? If we could cut his time down, I personally, would cut it all the way down and we wouldn’t have

to pay him anything. He can go back to where he came from, but that's not possible. So, are we liberty to ask him to cut his days and hours back?"

Mrs. Graves replied, "No..... Mr. Riehman – State Monitor - is really here and hired by the state, and Mr. Glenn Furney is his boss. I've talked with him several times." We will see if we can only have him (Mr. Riehman) here for two days....Like he said, his contract ends in September... like Ms. Graham said, it's money coming out of our pocket, although he works for the state, we pay him, that's a lot of money, and we could really use it for our children..... ...We don't dictate how long he's staying, or when he stays....I just want to help to let Mr. Furney understand that we are doing a lot better...Thank you for your questions. Thanks Mr. Riehman. "

Report of the Chief School Administrator - Dr. Garnell Bailey, Superintendent of the Pleasantville School District:

Dr. Bailey stated, "Thank you and good evening – everybody - Board, community, and family and friends.... We had a wonderful graduation and a great End of Year Family Meeting." Dr. Bailey listed the following events/programs that had occurred and are underway:

- Had a great "Family Meeting"
