Report of the State Monitor – Mr. James L. Riehman:

- Mr. Riehman paraphrased, gave a brief synopsis, of the following submission.

“The latest New Jersey Quality Single Accountability Continuum, better known as QSAC, has been reviewed by the staff and copies distributed to the Board. The District Performance Reviews (DPRs), in the areas of Finance, instruction and Governance for the last three years indicated the district needs to provide a corrective action plan to improve these areas. The district will have to score over 80 in each of the categories including Operations and Personnel for the next three years in order to be in total compliance. The Operations and Personnel areas scored well above the score of 80 with this recent review. The goal will be to score 100 in each of these categories.

The requirements for submitting an improvement plan have been met. Now the task will be to implement those improvements as soon as possible. I will be working with the Board and the staff to assist in this effort. In preliminary discussions with Dr. Bailey and with Mrs. Graves, we will be planning at least one workshop this summer to work on the Governance section. This will include a review of Board Bylaws and Policies, the DPR indicators that will need to be improved and the Improvement Plan which highlights the areas needing improvement. I will also give the Board periodic reports on the progress in these areas.

In Finance, I am working with Mr. Mulvihill and Mr. Thompkins to see that all grant funds are expended before the deadlines of June 30th and August 31st. We also will be looking at the current budget with the State Budget Analyst to assure that all accounts are properly coded. Budget transfers need to be scrutinized to be in compliance with State

Code. A review of District surplus is ongoing and recommendations for utilization of any excess surplus will be brought to the Finance Committee for consideration.

In conclusion, I look forward to working with the Board to forge a more collegial atmosphere of cooperation that will benefit the students and allow more administrative time to deal with instructional program issues.”

Comments/discussion by Ms. Famularo and Ms. Seymore of Minutes not having dialogue:

- Ms. Famularo commented that she ‘knows there was dialogue at the meeting, and we didn’t just come in and vote on things’.
- Mr. Mulvihill stated that the minutes used to be of volume, and all the votes are recorded in these Minutes, and there are CD’s (Audio) and DVD’s (Video) as back-up for the Minutes.
- Ms. Famularo stated that “for perpetuity, these things go into, there should be dialogue of the meeting.....we all know there was dialogue, we all know there were things discussed... I asked the question about the reading list and it’s not in here.”
- Mr. Mulvihill expressed that they used to be in large volume and had tremendous amount of detail. The Minutes can be made as detailed or as brief.
- Ms. Seymore agreed that, “In essence, Ms. Famularo is correct, but every word that is said at these meetings doesn’t have to be put in here.”
- Ms. Famularo expressed that it can be “listed with bullets...and that if we are going to go by tapes and video, then, every board member should receive a tape or video.”
- Dr. Bailey and Mrs. Graves informed everyone that on our Pleasantville School District’s Website, a link can be provided to allow the public to access the Board Meeting videos.

12. Public Comments: Jean Allen of 109 W. Park Avenue, Pleasantville, NJ - Being a graduate and former teacher of Pleasantville High School, commented that when her daughter was fifteen years old, she removed her from the Pleasantville School District and home-school her. When she turned sixteen years old, she enrolled her in the Youth Core Program. Ms. Allen informed the Board and public that her daughter was not being permitted to participate in the Pleasantville High School Graduation Ceremony.

The Pleasantville School District's Solicitor expressed scenarios of students that did not go to a four year high school, and later concluded that school districts are not required by law to permit students that did not attend/graduate from the high school to participate (march) in graduation ceremonies.

Ms. Allen replied by expressing that her daughter was home schooled as a safety factor, and that students that have overcome obstacles should be commended, and as a community, we need to do everything to help our young students.

Ms. Graves thanked Ms. Allen for her comments.
