

The Pleasantville Lady Greyhound Volleyball Team has started their season with a 10-2 record. On Saturday (9/21) they recorded one of their biggest wins in program history by defeating the Moorestown Explorers. The team has never beaten the Group IV powerhouse. Going into the match the Greyhound were clearly at a disadvantage with their size and experience. The team proved not be back down or be intimidated. The Greyhounds jumped out to a lead by taking the first game 25-19. The Greyhounds were leading the second game before allowing a nice comeback by the Explorers (27-25). The third and deciding game was back and forth with the Greyhounds holding on to their lead and winning 25-23. After the match many parents came over to the Pleasantville coaches and commended them for their team's effort. They were very impressed that the Greyhounds were able beat Moorestown. One parent even went as far as to say that even though his daughter played for Moorestown, he found himself pulling for the Greyhounds. After celebrating, as the Greyhounds were making their way out of the gym, the parents of Moorestown stood up and clapped for the team.

The victory was an all out team effort. The team was led by fantastic performances by Rosa Gil-Hernandez: 22 assists, 5 kills, and 11 digs, Yancely Hernandez: 14 kills, 3 aces, 3 blocks, 8 digs, and Shania Watkins, 7 kills, 4 blocks, and 8 digs.

On Monday October 1st the Lady Greyhounds beat their division rival, Mainland for the 2nd time this season. Their next big match will be at home on Thursday 10/3 vs ACIT. JV starts at 4:00. Varsity starts at 5:00. Please come out and show your support!
