November 25, 2020

Dear Pleasantville families, staff and community,

It has been almost five months since I was honored with the Pleasantville Board of Education's appointment as the Superintendent of Pleasantville Schools. Today and this week, I am filled with gratitude and appreciation for the opportunity to serve the students, staff, families and community in this position.

Thank you to our educators who have adapted so quickly and have shown great perseverance in learning how to teach our students virtually. It is not an easy task, but your continued commitment in seeking to elevate the academic achievement of our students continues to amaze me.

Thank you to our parents and families for supporting the students' at home learning. So many of you have sacrificed so much to provide your children with a positive and supportive environment in the home to ensure that learning continues.

Thank you to our administrators, staff, and everyone else who continues to come to school and work in person to make sure everything gets done.

A shout out to our food distribution partners, the local police department, our Mayor and Council and all of our community partners. In my first five months, I have already witnessed a continuous demonstration of time, energy, and generosity to our District. Thank you!

Each one of us makes a difference in the lives of our students each day and our hard work and dedication to our mission, no matter the role, is recognized and appreciated. I hope you enjoy a wonderful and restful Thanksgiving holiday.

Sincerely,
Dr. Natakie Chestnut-Lee
Superintendent
