

A Community Outreach Initiative

Mission Statement

To develop partnerships through meaningful communication between parents, staff, community and all stakeholders; to ensure students academic, social achievement and development by:

- Servicing and educating our parents and community about their rights and responsibilities through learning opportunities.
- Offering training in the curriculum, rules and regulations of the district and state laws.
- Encouraging parents to utilize all resources available in the district.

www.usalearns.org- *U.S.A. Learns* is an outgrowth of a project that was conceived by the U.S. Department of Education (ED), Office of Vocational and Adult Education, [Division of Adult Education and Literacy](#) (DAEL). DAEL promotes programs that help American adults get the basic skills they need to be productive workers, family members, and citizens. The major areas of support are Adult Basic Education, Adult Secondary Education, and English Language Acquisition. These programs emphasize basic skills such as reading, writing, math, English language competency and problem-solving.
