## THE PHS GREYHOUND MISSION

---

Pleasantville High School is  
committed to excellence in  
education.

Our curriculum is aligned to the New  
Jersey Core Curriculum Standards, as well  
as  
regulations and specifications outlined in  
NCLB.

These standards shape our curriculum and  
provide focus for our instruction.

Our mission seeks to: educate teachers,  
staff, parents, board members and the  
community to facilitate optimal learning  
for all students and to enable them to lead  
fulfilling and productive lives in our chang-  
ing and complex society.
