Members of the Pleasantville Board

801 Mill Road

Pleasantville, NJ 08232

Dear Members of the Board of Education:

In my letter to you of May 18, 2015, I advised you of the procedures and requirements that the Board must follow regarding the personnel actions. I received no comments or questions from any Board member.

Upon reviewing the minutes of the Board meeting of May 26, 2015, the Board choose to ignore my previous letter and took action on personnel items that were not in compliance with the procedures delineated in my letter and in the Statutes cited. In addition, The Board at the April 28, 2015 meeting did not take action to terminate an employee.

Therefore, utilizing the authority granted to the Monitor in the Statute (N.J.S.A. 18A:7A-55), I am reversing the actions taken by the Board and/or approving items not voted upon by the Board. A detailed list of the areas follows.

## Human Resources Exhibit A

All of the individuals listed of the re-appointment list are approved. The Superintendent did not recommend to the Board any non-renewals or terminations for certificated or non-certificated employees (N.J.S.A. 18A:27-4.1). In addition to this rationale, additional information for specific employees, where applicable, is as follows:

1. Dennis Mulvihill, Director of Operations

He is a non-tenured certified employee in this position. As such, notice of non-renewal must be provided by May 15 and this was not done (N.J.S.A. 18A:27-10). The previously cited Contract also provides for reappointment. It must be noted that the individual has tenure as a Business Administrator.

19. Kenneth Shaner Brown, C.A.R.E. Project Director

The individual has returned from Active Military duty and is entitled to the position.

32. Garnell Bailey, Assistant Superintendent

She has tenure in this position.

33. Derrick Carrington, Director of Athletics

He is a non-tenured certified employee in this position. As such, notice of non-renewal must be provided by May 15 and this was not done (N.J.S.A. 18A:27-10). He has tenure in the District in a previous position

110. Kelvin Cherry, Interim High School Principal

He is a non-tenured certified employee in this position. As such, notice of non-renewal must be provided by May 15 and this was not done (N.J.S.A. 18A:27-10). He has tenure in the District in a previous position.

164. Christopher Sacco, Guidance Counselor

He was appointed to this position by the Board on April 28, 2015. Please note that the listing as far as having achieved tenure is incorrect.

243. Mark Delcher, Director of Human Resources

He has tenure in this position. He also has tenure in a previous position in the District.

347. James Falkowski, Maintenance Foreman

350. William Marsh, Facilities Coordinator

Sincerely,

Terrence J. Crowley, State Monitor
