NO ADDENDA RECEIVED

Name of Company _____

Address _____ P.O. Box _____

City, State, Zip Code _____

Name of Authorized Representative _____

Signature _____ Title _____

Addendum 2

Bid No. PPS 22-18

Bid Date: Wednesday, September 28, 2022

1) Is the Bid Bond required since this is not a public works project?

Response: Page - 13 Item 7 Bid Guarantee is required per N.J.S.A. 18A:18A-24 per bid specifications. Performance bond will not be required.

2) The specification does not itemize down installation / maintenance services and extra parts required to properly perform this overhaul / replacement of the existing network equipment. Instead of putting all of these items built into each part item is it ok to itemize all items cost separately and include the other parts not listed and optional separately so Pleasantville can fully understand what is fully included in the submitted proposal. As an example:

Part 1	cost
Part 2	cost
Part 3	cost
Extra parts	cost
Installation Ruckus	cost
Installation Vendor	cost
Maintenance	cost
Project management	cost
Optional Maintenance	cost
Total Bid Package	cost
Total Optional Cost	cost

Response: Additional recommendations for cost may be listed and itemized for bid submission.

3) Performance bonds are usually required for government-related projects such as building a bridge or for road constructions

Is there a performance bond requirement since this is not a public works project?

Response: No only bid guarantee per page 13 item 7.
