Good morning administrators, teachers, and staff !

Welcome to the 2024-2025 school year! As with every school year, we are working to make necessary improvements within our department. We have so many exciting programs lined up for our students including the NJ College Fair, Career Day, College Day, FAFSA Night, and more! The School Counselors also have a new appointment system set up for students who wish to visit us. Students will be able to make appointments from 2 to 14 days in advance and will receive an email reminder for their time slot.

Please make sure that you are only sending us students who have an appointment or that we call your classrooms for. If a student needs their OnCourse login/password information, they should email us only. An appointment is not needed for that.

See below for our caseload information as well as links for our appointments. We will also be sending out a flyer with QR codes on it to the students as well. We look forward to making this our best year yet!

Counselor Caseloads:

Ms. Coleman: A-G and Early College

Ms. Miller: H-O and AVID

Mrs. Snyder: P-Z

Ms. Cooper
